S. Comments:Tightened near 200m. Inquiry re performance. Rider D. Browne indicated at no stage did his mount travel comfortably despite having a favourable position just behind the lead, and when asked for an effort rounding the home turn, the gelding did not respond as anticipated, and he could offer no further excuse for the disappointing performance.

S. Comments:Stewards acceded to a request from trainer S. Ryan for the horse to race without a tongue-tie as this was the gelding's first start for his stable and had trialled without this gear. Had some difficulty obtaining clear running upon entering the home straight. When questioned regarding the tactics adopted, jockey G. Colless stated his instructions were to ride in a forward position, however after beginning only fairly was unable to muster sufficient early speed and therefore elected to take up a position towards the rear of the field.

S. Comments:Questioned re performance and riding rounding home turn - Began only fairly then gelding was slow to muster speed in early stages. Intentions was to trail PROFILER and then shift wider rounding home turn. Gelding over-race and near 600m checked when placed in restricted room to inside of PROFILER. Took a number of strides to regain balance and was unable to improve when continually placed in restricted room to inside of PROFILIER until near 400m when uable to place gelding under pressure however, it failed to respond as expected and proved dissapointing.

S. Comments:Upon straightening had to be steadied from the heels of FREEPORT. Rider questioned re performance - stated from wide barrier forced to settle further back than anticipated. Rider added gelding had commenced to improve into race however, its momentum was impeded when forced to steady from the heels of FREEPORT, which had broken down and as such was not overly disappointed with performance.

Masuda advised that from the wide alley he had been instructed to take up a position at the tail of the field with cover. He was able to fulfil these instructions and was asked to position the horse wider on the track to obtain an uninterrupted run to the finish. He added the filly responded well from passing the 400m and was doing its best work over the final 200m. He that it would be better suited to races over 1300m and 1400m.

Jockey Browne indicated the horse did not travel comfortably at any stage of the event and finished the race off only fairly. He added that the horse may appreciate being sent for a spell. Trainer S.
