Tilley stated that it was his intention to lead or race in a forward position, however the gelding failed to show the necessary speed to take up a forward position. He added that from the 600m the gelding commenced to lose ground and was disappointing. He further indicated to stewards that the gelding may not be suited to the tight turning track. A post-race veterinary examination revealed no significant findings.

S. Comments:OVERRACED and raced greenly in early stages. M. McGuren stated his mount travelled strongly behind a moderate tempo in early and middle stages. When asked to sprint his mount failed to respond and weakened. Over the final 100m his mount was making an abnormal respiratory noise and he suspects that it got its tongue behind the bit. Mr G.Cooling stated the filly had worked well since its first up effort and was confident today. Mr Cooling added that he would add a tongue tie to the filly's gear and step it up in distance next start. A post race vet exam did not reveal any abnormality.

S. Comments:When afforded the opportunity to comment on the disappointing performance. Jockey T. Harrison stated that after beginning awkwardly from a wide barrier she was obliged to push forward in the early stages in an attempt to obtain a position closer to the rail however, when runners to her inside had improved she was forced to race in a 3 wide position throughout, which she felt was a major contributing factor to the filly's disappointing finishing efforts. A post race vet exam revealed no abnormalities.

Won most recent start where tempo was genuine and able to settle comfortably worse then midfield. Post race vet - lame near fore. Trainer agreed with rider and stated mare now be placed over shorter distances after being sent for a spell.

Early stages tried to restrain to obtain cover in one out one back position however horse outside leader continued to restrain preventing him from obtaining cover behind that runner. Therefore elected to stirde forward to eventually settle outside leader. Trainer stated horse had been notoriously slow to begin and with blinkers off today began better than expected resulting in it racing further forward than anticipated. Best suited when ridden with cover.

She added she was satisfied with her position throughout the event as she was trailing the eventual winner, however when it improved into the race near the 600m she was unable to quicken with that horse and, in her opinion, the mare raced somewhat flat today.
