K Wilson-Taylor, rider of COMETTI, was advised to exercise greater care in similar circumstances. Left a midfield trailing position near the 1500m and progressed forward to lead the event from 1300m.

S. Comments:Over raced during the early and middle stages. Jockey N Callow reported that the mare over raced in the early and middle stages and for that reason from near the 800m he allowed the horse to stride forward to improve into the event. Jockey Callow added that whilst the mare quickened for a short distance it was under pressure prior to the home turn and in his opinion, over racing in the early stages was the major contributing factor to what in his view was a disappointing performance.

S. Comments:Jockey S Galloway reported that as a result of being caught wide in the early stages, he allowed his mount to stride forward to obtain a position on the rail near the 1600m and as a result settled further forward than he had anticipated. He added that the mare then raced keenly for a short distance however then travelled comfortably however from the 500m failed to quicken as he had expected which he attributed to the mare jarring up on the firm racing surface. A post-race veterinary examination failed to reveal any abnormalities.
