On returning to scale apprentice Y Lewis reported that the gelding failed to muster early speed however this is consistent with its customary racing pattern. Apprentice Lewis added that the gelding made some late ground, however, would be much better suited in races over a greater distance than today's event. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Raced keenly in the early stages. Stewards questioned trainer G Doughty in relation to the seemingly improved performance. Mr Doughty advised that at Ballina last start it raced four-wide whilst also required to carry 60kg. Mr Doughty added that further in his opinion racing back at the Gold Coast where it had won on seven prior occasions, was the major contributing factor to the improved performance.
