S. Comments:During early stages when being restrained to obtain cover commenced to over-race, shifted in abruptly. When questioned as to disappointing performance, Jockey D Griffin explained the mare had a tendency to race keenly early. He added that after settling well and having a favourable run through the middle stages, was under extreme pressure from the 600m and proved very disappointing. His opinion would be better suited to races over a shorter distance. Post-race vet. ex. revealed a slower than normal recovery rate.
