Du Plessis stated his mount travelled well in a favourable position until asked for a response on straightening and at that point became awkward in its action and weakened. A post race veterinary examination failed to reveal any significant abnormalities. Trainer's representative Mr M. Henderson indicated they would have veterinary tests performed during the week and would report back to stewards the results. He also added that, in his opinion, the horse may not have appreciated the soft racing surface.			In Running: /3/3

He added that in preparation for the race he had galloped the mare on the Tuesday 4 June 2019 where it worked well and, based on that work, he had expected a forward showing today. A post-race veterinary examination of the mare revealed no apparent abnormalities.

Held up rounding home turn and early stages of home straight before shifting back to inside to secure clear running near 250m. Rider reported instructed to obtain position with cover and similar instructions issued previous two starts. Added two starts ago when drawn wide at Ipswich attempted to obtain cover but after beginning well was caught wide and elected to ride forward to obtain position closer to fence. Noted last start began very well and from inside barrier found itself in the lead.

S. Comments:When afforded the opportunity to comment on the performance, Apprentice B. Nothdurft stated that, after beginning well and having a favourable run throughout, the filly failed to finish off as expected and he was unable to offer any excuses for the below market performance. A post-race veterinary examination of the filly revealed no significant findings other than a laceration below its jaw.
