S. Comments:Rider J. Byrne reported that the horse did not travel comfortably throughout the event and indicated that the horse was holding its breath at various stages of the event. He added that he had concerns throughout in relation to the horse's breathing. He also advised that he recommended to connections to restrict the horse's races to distances up to 1400m. On post-race veterinary examination the horse was found to have blood in its mouth. Trainer S. Kendrick confirmed that the horse would be sent for a spell.

S. Comments:Stewards questioned jockey M. Cahill regarding the tactics adopted in the early stages. He stated that he had been instructed to take up a forward position, and after not beginning well he rode forward to obtain that position and gave consideration to continuing to the lead, however when an opportunity presented itself to take up a position forward of RAJA AMPAT near the 900m he elected to restrain in an attempt to obtain cover behind the leaders. He indicated whilst the horse raced with its head in the air, he did not feel the horse was significantly overracing and when able to obtain cover

S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.
