Rider comment re improved performance - of view appreciates racing with bit of room and from good barrier was able to position behind leader and in home straight had sufficient room to finish race off. Noted mare has good record at Ipswich and appreciated softer track conditions.

S. Comments:Near the 1000m, when placed in restricted room, shifted in abruptly despite the efforts of its rider, causing runners to its inside to clip heels and fall. The mare continued to race ungenerously from that point onwards and proved difficult to handle throughout the event. Trainer S. Mackinnon was advised that the mare must trial satisfactorily in an official trial prior to its next race start. He stated that the horse was badly galloped on on both hindlegs and would more than likely be sent for a spell.

He indicated that the horse, after failing to respond to his riding in the early stages of the home straight, became awkward in its action and for this reason he did not ride the horse out over the final 200m. He added that in his opinion the horse did not handle the rain-affected conditions. A post-race veterinary examination revealed the filly to have a slow post-race recovery.

Rider explained after being wide early obtained trailing position passing 900m. Stated only travelled fairly from that point on and passing 650m commenced to weaken and in his opinion was making an upper respiratory noise and elected not to pressure over concluding stages. Vetted - no abnormalities. Stable reported sustained small laceration to outside of near fore leg. Trainer advised will require endoscope and vet clearance.
