S. Comments:When asked to explain the improved performance today, trainer K. Kemp explained that at its last start the gelding overraced and the rider elected to shift wider on the track, which may have exposed the gelding earlier than he would have liked, which may have had a detrimental effect on the gelding's finishing effort. He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it perform creditably.

S. Comments:Began very awkwardly and made heavy contact with the barrier partition, almost unbalancing its rider. When asked to explain the performance of the gelding, jockey J. Byrne expressed his view that the speed slackened quite appreciably mid-race and therefore he elected to come out to improve into the race passing the 700m and at the same time the leaders quickened and his mount then struggled to get into the race from that point. He added that in his opinion the gelding's chances were not suited by the slow tempo in the middle stages and the quick sprint home.
