S. Comments:Rider questioned re tactics rounding home turn where he shifted wider on the track, allowing 2 runners to improve to his inside. He said having watched the previous races he believed the better going was 5 or 6 wide in the straight so he shifted wider rounding the home turn to obtain that position. Stewards noted his explanation, but advised him it would have been more advantageous to hold a position closer to the rail and then on straightening shift wider on the track to that part of the track which he believed to be superior going.

S. Comments:Trainer questioned re the riding instructions. His instructions were to settle back early and then find the line. Jockey told stewards that he settled back in the field and however was positioned wider than he wished. He added he held up behind another runner when starting his run. He added that on straightening he gave the horse several hits with the whip and got into second place however at 100m he felt OGGIES run had ended. He then felt that he could not catch the leader and was holding down 2nd place easily so he did not continue riding the horse with the whip to the line.

She said that her instructions were to go forward however the gelding did not jump well and was slightly tightened just after jumping away causing BRITISH BULLDOG to race further back than she anticipated. She further advised that the gelding then ran on fairly over the concluding stages.
