S. Comments:Slow to begin. Making the turn out of the home straight on the first occasion, improved onto heels and shifted out abruptly. Due to the moderate temp, over raced at heels for a considerable distance in the early and middle stages. When asked to comment on the performance of the mare, apprentice C Collis advised that in his opinion, the slow early tempo was the major contributing factor in relation to the performance particularly when after being slow to begin, he was forced to obtain a trailing position in the event rather than being able to lead the event.

Comments:When questioned regarding the performance and the tactics adopted on the filly, jockey J Taylor advised stewards that his instructions were to find cover and after failing to muster early speed, he elected to take up a midfield position in order to comply with instructions. Jockey Taylor further added that the filly failed to travel comfortably when racing in this position and was disappointing in its finishing effort. A post-race veterinary examination failed to reveal any abnormalities.
