S. Comments:Following the declaration of correct weight an application to have gelding declared a non-runner after being denied a fair start was made by connections. Stewards ruled that although gelding could not be declared a non-runner due to the fact that such application was made after correct weight had been given, it was established on the evidence and after viewing the patrol films that the gates on the barrier occupied by gelding had to be slow to open resulting in the gelding missing the start by one length. S. Comments:Began awkwardly and shifted out. Rider questioned re disappointing performance - travelled well in early and middle stages but failed to respond to his riding rounding the home turn and compounded leaving the 200m. Trainer noted it was having first start after a freshen up but was dissapointed in overall performance and indicated that it would now be sent for a spell. Vetted - no abnormalities found.

S. Comments:After showing speed to lead compounded badly after rounding the home turn and when tiring made heavy contact with the inside rail at the 200m almost dislodging her rider. Post-race was vetted and found to have a slightly elevated heart rate and some inconsistency with it's breathing. Trainer was advised the filly would be barred from racing until it completes a satisfactory gallop over 800m in the presence of a steward and vet and then be cleared by the vet prior to racing again.
