S. Comments:Passing the 600m was placed in restricted room. Bumped with another runner leaving the 900m. Rider reported that her mount travelled comfortably throughout the event, however when placed under pressure near the 500m the filly felt amiss in its action behind and for that reason she desisted riding it over the concluding stages and eased the horse down. Vetted and found to be lame in the off hind leg. Trainer L. Hatch was advised that he will be required to produce a veterinary clearance for the horse prior to it being permitted to race again.

S. Comments:When questioned regarding the disappointing performance, Apprentice explained that after beginning only fairly she rode her mount along in the early stages in an attempt to obtain a prominent position, however when the pace slowed in the middle stages the mare commenced to over-race, was inclined to hang out and refused to settle. She said that when placed under pressure prior to straightening, her mount failed to respond and was disappointing. A post-race veterinary examination revealed the mare to have lost its near hind place and to have been galloped on.
