S. Comments:Rider questioned re disappointing performance. She said from the wide barrier she rode the mare forward early to obtain a forward position, but after being caught wide early, she restrained near the 900m and obtained a midfield position. She said from passing the 700m the mare came off the bit and then ran on only fairly and proved disappointing. Trainer K. Kemp, whilst acknowledging the mare was a little disappointing, said in hindsight, at this stage of its preparation, it may not have been entirely suited by dropping back in distance tonight. Stewards noted the explanations.

S. Comments:stewards questioned App Lacey over her riding of the mare, from the 800 metres until rounding the home-turn. S Lacey stated FALVESa had a tendency to hang out in the middle stages of the event. and App Lacey added she elected to shift wider on the track from that point, and in the home straight the mare continued to shift out under pressure and found the line well. In acknowledging the racing habits of FALVESa, Stewards advised App Lacey in their opinion she had erred in not improving her position from the 800 metres to the inside of runners when an opportunity existed to do so

Comments:Questioned re performance, rider stated that his mount enjoyed a comfortable run behind the leaders in the early and middle stages however was under pressure to maintain its position from the 600m and weakened in its run to the line. Trainer M. Wilson stated that the filly had worked well leading into the event and he was confident of its chances. He stated that although the filly has given every indication that it wants ground, it was its first attempt at the 1600m journey today and it may not have run out the distance.
