S. Comments:Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was slow to begin and he rode it along with vigour in the early stages.He added that approaching the home turn he was unable to improve when held up however upon obtaining clear running at the

entrance to the straight his mount failed to respond.M. Dunn stated it was the filly's first

start for his stable and he had expected it would be very competitive.He advised he would add blinkers and remove the t/tie before stepping up in distance.Vet exam revealed a poor recovery rate.

S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments:Shifted in and bumped another runner on jumping. Ran wide rounding the home turn. A post race vet exam, which was beaten 24.6L, revealed it had lost its off fore plate in running and to be mildly lame in that leg. Questioned, trainer stated that in addition to losing a plate during the event he did not feel that the gelding appreciated the quick back up today. He added that he would freshen the gelding up prior to its next race start. He was advised that a warning would be placed on the competitiveness of the gelding and that it requires a vet cert of fitness prior to its next race start.
