S. Comments:When questioned regarding the performance of the gelding apprentice Ms B. Ainsworth stated that she intended to settle in a handy position however her mount was caught wide in the early stages and she elected to ease and take a position worse than midfield with cover. Ms Ainsworth stated that her mount likes to work into a sprint however it had its momentum hampered at the entrance to the straight and near the 200m when it was disappointed for runs. Ms Ainsworth added that her mount was first up today, would benefit from the run and would appreciate resuming its normal racing pattern.
