S. Comments:When questioned regarding the horse's improved performance, trainer L. Richardson explained that at the mare's last start she was obliged, from the wide barrier, to settle further back than anticipated and was then able to finish the race off well. He added that today the mare was able to find a more prominent position and in his opinion the step up in distance to 1400m, combined with racing at its home training track, all contributed to today's performance.

S. Comments:Steadied rounding the home turn when placed in restricted room between PETAIN and CHAVO which shifted out. Stewards sought an explanation as to Jockey P Hammersleys riding in the home straight. Jockey Hammersley stated that after receiving interference at the top of the straight, his mount then failed to respond immediately to his riding and therefore when placed out of contention, he elected not to continue to ride his mount for the remainder.

S. Comments:Connections advised that it would be the intention for the gelding to be ridden further back in the field today if circumstances permit. After jumping, the gelding was restrained and caught 3 wide, and was unable to obtain cover despite the efforts of its rider and, as a result, raced 3 wide in a forward position until a point passing the 900m where it obtained cover. Commenced to weaken after passing the 400m, and was slightly cramped for room by runners to its outside which were laying in slightly, and had to be steadied away from the heels of GLENTURRET which was weakening.
