Upon returning to scale Jockey reported the mare was reluctant to hold its position when another runner improved around it. Jockey added the mare may benefit from the addition of a tongue tie to its approved gear as he feels the mare may have got her tongue back in the early stages.

S. Comments:When questioned in relation to the tactics employed on the gelding, Jockey stated that in his experience the horse has proven difficult to ride when attempts have been made to restrain it. As a result he elected to allow the horse to stride forward and take up a position where it was comfortable. He added that his mount then failed to finish off the race.
