Comments:Rider questioned regarding tactics adopted, particular rounding home turn and early part of home straight, Jockey stated that approaching home turn placed gelding under pressure in endeavour to follow another runner into race, however as gelding was traveling only fairly was unable to do so. Jockey further added that after continuing to ride mount along when entering home straight gelding improved quickly into the race forcing him to shift to the inside where he obtain a run between two runners. He further added that gelding finished the race off well. Stewards noted the riders comments.

S. Comments:For some distance in back straight made contact with another runner on a number of occasions. Stewards considered an objection lodged by Jockey of second placegetter alleging interference in the home straight. After taking initial evidence Jockey made application to withdraw the objection however as stewards believed that the hearing was warranted the application was denied. On the evidence it was established that over the concluding stages gelding shifted out towards second placegetter for a considerable distance however both horses had an unimpeded run to the finish. Protest dismissed.

S. Comments:Stewards considered an objection lodged by third placegetter against gelding, alleging interference in the early part of the home straight. After taking evidence from the parties concerned viewing official video films and taking into account their own observations it was established that shortly after straightening third placegetter established a run to the inside of gelding, which then shifted in abruptly and hampered third placegetter. Bearing in mind the margin of a short half head and the manner in which both horses ran to the finish, stewards upheld the objection and amended the placings.

S. Comments:When questioned regarding the poor performance of the filly, Jockey explained that his mount was caught wide for the entirety of the event and was a beaten horse as far from the finish as the 400 metres. Trainer advised stewards that he will freshen up the filly prior to its next race start. A post-race veterinary examination of the filly did not reveal any abnormalities.
