In Running: //5 S. Comments: Jockey explained that after being momentarily crowded for room shortly after the start, he had to continually ride his mount along in an attempt to obtain the lead, in accordance with its established racing pattern. He said that when unable to do this, his mount was constantly under pressure and never travelled comfortably. Jockey added that in his opinion the gelding performs better in races over a longer distance and when it is able to dictate the terms in front. A post-race veterinary examination of the gelding did not reveal any abnormalities.
