Mr Kings advised that at its most recent start when beaten a considerable distance, the gelding failed to perform when racing on a heavy track. Mr Kings added that its form prior to this was satisfactory and as such, when racing on a firm surface today, he was not surprised to see the horse run an improved race. He added that he travelled up behind runners well approaching the 600m, however when placed under pressure his mount did not respond to his riding from that point and finished the race off only fairly, stating the performance was most disappointing. Trainer stated the horse was second up with 59 kg and felt the rise in distance this quickly may have had an effect on the performance. Vetted post-race, no abnormalities.
