When questioned regarding the performance of the gelding rider stated that she intended to race in a forward position however her mount failed to muster sufficient early speed and was obliged to settle at the tail of the field. She added that her mount was under pressure the entire journey and did not feel to appreciate the shift track conditions. A post race veterinary examination of the gelding did not reveal any abnormality.

| S. Comments:Slow to begin. When questioned regarding the disappointing performance, trainer M. Kropp advised that the mare, which was having its first race start since September, had been working well in the lead up to today's event and he was anticipating a forward showing. He added, however, that the mare did not begin well and had to work hard in the early stages to obtain a forward position, which he felt contributed to FILLE ARDENTE not finishing off the race as strongly as anticipated. | | | | | | | |
