S. Comments:Began awkwardly attempted to buck shortly after start. Rider questioned re performance - stated that despite attempting to buck in early stages filly travelled well during middle stages. Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

S. Comments:When questioned regarding the horse's poor performance, P. Romeo advised that after beginning well he settled in a rearward position as per the horse's customary racing pattern and the pre-race instructions from trainer M. Nolan. He added that the gelding travelled well throughout the event, however was positioned some distance from the leader and therefore he elected to improve into the race from the 700m, however the gelding, in his opinion, ran on only fairly over the concluding stages and was somewhat disappointing. A post-race veterinary examination revealed no abnormalities.

Apprentice Ainsworth stated that the gelding overraced in the early stages and after obtaining cover, settled for the majority of the event until placed under pressure near the 600m and proved most disappointing. She noted that LANDALE's previous performances at Gatton may suggest that the gelding is not suited by the tight turning track.
