S. Comments:Rider reported gelding never travelled comfortably and was continually changing stride. After being bumped near 600m and commenced to weaken badly and became concerned with action of elding so eased it out of the event. Post race vet failed to reveal any abnormality. Connections advised gelding must trial and undertook to report on gelding's progress following the event.

S. Comments:When questioned as to the tactics adopted, Jockey N Masuda stated he was instructed to position the gelding where it was comfortable. He noted that the gelding was having its first start for the stable and in a trial leading into today's race he had travelled in a forward position. Jockey Masuda added that after beginning fairly today he rode the gelding forward so as not to be caught wide which resulted in him settling outside the leader.

| S. Comments:Inquiry re performance. Rider B. Appo stated that his mount began well but could not muster its customary early speed and as a result settled in a handy position with cover. He added that when pressured by TEARS after passing the 700m, the mare was immediately under pressure and did not respond to his riding from that point and was, in his view, disappointing.
