In Running: /9/10
 S. Comments:Rider stated, after beginning awkwardly, the mare never travelled throughout the event, was inclined to overrace and got its head up in the early and middle stages. He added, in his opinion, the racing pattern today of making ground from back in the field had not been to Peggy Jean's advantage and it may not have backed up from its unplaced run at Flemington on 8 March 2015. A post-race veterinary examination did not reveal any abnormalities.

| S. Comments:Hold up rounding the home turn. Shifted in shortly after leaving the 600m after being brushed, resulting in another runner having to be checked. Rider apprentice M. McGillivray was advised in similar circumstances he must endeavour to keep his mounts on a straight course. A post race veterinary examination revealed the horse to be suffering from heat stress following the event. | | | | |

Margins:.....Time:.....

S. Comments:Began awkwardly. Overraced in the early stages and got its head up on a number of occasions. Rider M. Cahill was questioned regarding the tactics adopted in the race. He stated the riding tactics were left up to him, however after jumping he elected to take hold of the filly and settle at the rear of the field from the wide barrier. He added however the filly never settled and pulled very hard throughout the event. He advised connections it would be better suited racing in a handier position.

S. Comments:Jockey D. Browne reported it was the first time the filly had raced righthanded and was on the wrong leg for the majority of the race, however still proved slightly disappointing with its finishing effort over the final 200m. He added in his view it would take benefit from today's outing. A post race veterinary examination failed to reveal any significant abnormalities. Lost its near hind plate in running.
