Comments: Jockey M. Cahill explained he had been instructed to ride his mount a little more aggressively in a position near midfield. He added that shortly after the start he endeavoured to ride the filly in accordance with instructions, however was concerned he may be caught wider than he should and therefore made the decision to ride hard in the early stages to cross to a position outside the lead at the first turn.

Rider reported that his mount failed to respond to his riding from the 600m and was disappointing, which he attributed to not being entirely comfortable on the soft track. He added that in his opinion the gelding would take a fitness benefit from today's race.

Trainer M. Wilson confirmed that BABUR was not entirely comfortably on rain-affected tracks and added that due to the recent wet weather the gelding has missed track gallops and would derive benefit from today's race. A post-race veterinary examination revealed no significant findings.

S. Comments: Jumped away awkwardly. Laid out rounding the home turn. Inquiry re performance and tactics adopted on the horse. Rider J. Lloyd indicated that his intentions had been to be in a forward position however when the horse began awkwardly he was obliged to take up a trailing position behind BUKEKAYO. He indicated that he was forced to steady further when inconvenienced when racing to the inside of FORTINI and this caused him to lose further ground. He felt however that the horse improved well into the race rounding the home turn and was doing its best work over the concluding stages.

S. Comments: When guestioned regarding the mare racing further forward, rider stated he was instructed to ride his mount in a midfield position. Rider explained that when his mount began fairly he rode it along in which it

responded stronger than he expected. M. Dolendo stated that his mount settled in

handy position, where it raced comfortably and sprinted strongly to the line. When

question regarding factics trainer, stated it was the mares second start

for his stable. Mr Randall added that at the mares most recent start it raced worse

than midfield from a wide barrier

S. Comments: Slow to begin and despite the efforts of its rider trailed the field for the majority of the race. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Questioned re: disappointing performance - trainer noted gelding is better suited over further distances but was still dissapointed as gelding had pleased him in a trial leading into the race. Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.

S. Comments: rider stated that she intended to race in a forward position. however her mount failed to muster sufficient early speed and settled at

the rear. She stated that it failed to travel in the middle stages and, whilst it did have some excuses, it sprinted

only fairly. Ms Jamieson stated that her mount raced like a

horse not interested in racing. When guestioned, trainer Mr H. Norman stated the

mare had worked well and he was very disappointed with its performance. Mr

Norman added that the stable would assess the immediate racing future of the

mare in the coming days.

S. Comments:Compounded in the home straight. When questioned regarding the disappointing performance, rider M. Cahill stated that after being ridden hard in the early stages to hold a forward position, the mare refused to settle and then had a tendency to hang out rounding the home turn, which was a telling factor on its performance today. A post-race veterinary examination revealed the mare to have a slower than normal recovery rate.

When questioned as to the disappointing performance, Jockey L Tarrant stated that the gelding did not travel comfortably at any stage of the race and in his opinion may have come to the end of its current preparation. A post-race veterinary examination failed to reveal any abnormalities at the time of examination. Trainer later advised that following extensive vet and blood tests which failed to reveal any abnormalities the gelding would be continue its current racing preperation.
