Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

S. Comments:Raced wide without cover after leaving 800m. App Orman questioned re riding of gelding approaching and rounding home turn and reason for

him racing wide and covering additional ground. App Orman stated that he had heard a call from a rider to his inside and as a result eased his mount outwards

to provide sufficient racing room to the runners to his inside. After viewing the video App Orman agreed he had erred in shifting wider at that time and should

have maintained his position to the outside of JOPA.
