S. Comments:Bumped heavily by another runner in the early stages of the event on a number of occasions. Stewards questioned apprentice B. Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

S. Comments:Questioned as to tactics - rider stated instructed to lead and that the gelding had performed best when ridden in the lead. Added that in early stages AMERICAN SPIRIT persisted in maintaining a position to the inside requiring him to make more use of the gelding than he would have liked which resulted in a quick tempo being set in the early stages. Whilst noting the fast tempo rider was of the view that the gelling is better suited over 1000m.

S. Comments:When questioned regarding her tactics, apprentice A. Fancourt stated that she attempted to ride forward and cross LIBERATION in the early stages, however once she was unable to cross that runner, she steadied the gelding. Ms Fancourt added that she had been instructed to not overly restrain the gelding as it was one-paced and for that reason she was content to race forward of LIBERATION during the middle stages. Stewards advised apprentice Fancourt that she would have been better suited making greater effort to restrain the gelding in the early stages so as to sit off LIBERATION.

Questioned re: performance, App Graham stated gelding failed to muster speed in early stages which resulted in it racing further back than anticipated. App. Graham noted that despite this the gelding failed to respond to her riding when placed under pressure rounding the home turn and in her opinion was disappointing. Trainer expressed disappointment however noted that with 59.5kg imposed he was obliged to engage an apprentice and felt gelding may be better suited with a more senior rider.

S. Comments:Questioned re: performance - rider stated gelding travelled well throughout however when placed under pressure upon straightening, weakened noticeably. Stated horse made an abnormal breathing noise which she felt contributed to the dissappointing performance. Stable rep agreed with rider's comments and undertook to report back to stewards at a later date. Post race vet revealed a poor post race recovery rate.
