He stated that as the gelding had drawn wide, he had given specific instructions not to be caught wide on the track and to try and find cover. Rider advised that from the barrier he restrained the gelding, however when caught extremely wide approaching the first turn he elected to ease it back to the rear. Their explanations were noted.

S. Comments:Raced wide without cover after leaving 800m. App Orman questioned re riding of gelding approaching and rounding home turn and reason for him racing wide and covering additional ground. App Orman stated that he had heard a call from a rider to his inside and as a result eased his mount outwards to provide sufficient racing room to the runners to his inside. After viewing the video App Orman agreed he had erred in shifting wider at that time and should have maintained his position to the outside of JOPA.
