He stated that after beginning awkwardly he settled further back than he had anticipated. He added that he was mindful of the gelding's racing pattern, which is to race up on the speed, and at a point near the 900m he elected to shift wider on the track and stride forward to take up a position outside the leader. Jockey Geran further stated that he was disappointed with the gelding's finishing effort.

Comments:Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

Jockey G Colless reported that after receiving interference out of the barriers he was obliged to ride the horse vigorously in the first 200m to take up a position, and when held up in the early stages of the home straight raced greenly and despite this finished the race off well over the final 200m.

He added that his intention was to obtain a position with cover today, however after beginning well from a wide barrier he allowed his mount to stride forward and obtain a position closer to the fence, which resulted in him leading today.
