App. Denby said she had specific instructions to improve to the inside of other runners and to keep the horse balanced around the tight track before pressuring it soon after straightening, which she did. Stewards advised apprentice Denby, bearing in mind the short straight at Kilcoy, that it would have been a better option to put her mount into the race earlier than she did on this occasion.

Whilst laying in horse was improving into race so allowed it to continue to shift into the fence instead of straightening it to angle for a run which became available 3 horses off the fence. Post race vet exam revealed laceration to hind leg consistent with being galloped on. When questioned as to performance rider stated that horse performs well when able to improve into the race from the 600m. Intereference suffered near 400 prevented it from doing this and was unable to quicken again following interference.

S. Comments:Stewards questioned trainer in relation to the horse's improved performance. He advised that first up from a spell on 18 September the gelding raced on a heavy track, which was to its detriment on that occasion and explained the poor performance. He added that the horse jumped out well subsequent to its first-up run and he expected a forward showing today based on that jump out and the fitness benefit the horse would have derived from its first-up start.

He said that not long after, the horse dropped the bit and became detached from the main body of the field. He added that on straightening he was concerned there was something amiss with the colt and for this reason he did not persist in riding it out. He added that not long after the post the horse made an abnormal breathing noise. Trainer reported the horse was found to have slight bruising to its off front heel.

S. Comments:Began awkwardly attempted to buck shortly after start. Rider questioned re performance - stated that despite attempting to buck in early stages filly travelled well during middle stages. Added rounding home turn attempted to follow STARANTE, eventual winner, into the race however filly failed to respond as expected and was disappointing. Rider noted filly made abnormal noise, which indicated it may have choked down during the race. Warning placed racing manners. Trainer confirmed would add tongue tie before next start.

S. Comments:Jockey M. Cahill reported that the horse travelled well until leaving the 600m when he became concerned that the filly would not finish the race off well and did not respond to his riding when placed under pressure leaving the 400m. He noted that the horse sweated up more than at its most recent start. Trainer M. Mair agreed with the comments of jockey Cahill and added that he would monitor the horse in the coming days. A post race veterinary examination revealed the filly had pulled up in a distressed state with a poor post-race recovery.	54 Michael Cahill	(1) 54	R60	\$20,000 \$400 \$13 \$17 \$13 In Running: /3/3
