Jockey Bogenhuber stated that after travelling wide in the early stages, she allowed her mount to stride forward to a leading position, which is the gelding's usual racing pattern, however from a point leaving the 500m was under pressure and proved disappointing in its finishing effort, and in her opinion the gelding may have come to the end of its preparation.

He added that he is of the opinion that the horse is better suited to races over shorter distances with a more genuine speed to allow the horse to travel without having to be restrained. A post-race veterinary examination revealed no significant findings.

Wiggins added that he felt his mount is better suited being able to settle back off a genuine tempo.

He indicated he was disappointed, however felt that the performance could be attributed to the horse having its first start this preparation over 1400m, on a rain-affected track, and from the wide barrier he was forced to settle at the rear of the field.
