App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.

After taking evidence from apprentice Murphy, stewards advised him that, in their opinion, he had erred in failing to shift out around the heels of KENTAUR after passing the 700m, which would have afforded him clear running and as a result of his failure to shift wider, FOREST WAY was held up for clear running from the 600m until approaching the 250m. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. S. Comments:Eased near 200m. Questioned re: performance - rider stated gelding was more agitated during prelim compared to last start. Settled further forward today as a result of step up in distance and overraced in early stages. Gelding didn't tavel comfortably at any stage and failed to sprint in straight. In rider's opinion gelding failed to handle short back up. Trainer noted second occasion gelding had failed to handle quick back up. Gelding pulled up with some debris in near side eye which would be treated but post race vet exam failed to reveal any significant abnormalities.
