| S. Comments:Began awkwardly. Tightened for room shortly after the start when racing in restricted room and had to be checked. Stewards afforded apprentice B. Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. A post-race veterinary examination revealed no abnormalities. |                          |                     |   |

| S. Comments:Bound in the air as the start was effected and lost ground. When asked to explain the horse's performance, rider E. Ljung stated that after beginning awkwardly the mare never travelled comfortably throughout the race, however when asked for an effort leaving the 400m, did make some ground in the home straight but was nevertheless disappointing. A post-race veterinary examination revealed the mare to be lame in the off hind leg. Trainer S. Iverson was advised that he must provide a veterinary clearance prior to the horse starting again. |                    |                 |     |                                       |

| S. Comments:Questioned re performance and riding rounding home turn - Began only fairly then gelding was slow to muster speed in early stages. Intentions was to trail PROFILER and then shift wider rounding home turn. Gelding over-race and near 600m checked when placed in restricted room to inside of PROFILER. Took a number of strides to regain balance and was unable to improve when continually placed in restricted room to inside of PROFILER until near 400m when uable to place gelding under pressure however, it failed to respond as expected and proved disappointing. |                   |                 |     |   |

Over concluding stages checked to avoid the heels of MIGGERU, which shifted out.
