S. Comments: When questioned regarding the improved performance, trainer could offer no tangible explanation for the improvement. He indicated that the filly had been working well in the lead up to tonight's event, however there was no stable support for her. Jockey advised at scale that, in his opinion, the filly benefited from the removal of the blinkers tonight.

S. Comments: When questioned as to the performance App. McGillivray stated that despite being forced to race wide early, he was content to stride forward to take up a handy position, however, the gelding was under pressure leaving the 700m and proved disappointing. App. McGillivray was of the view that the gelding may have come to the end of its current preparation. Trainer T Edmonds confirmed that the gelding would be sent for a spell. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

S. Comments: Hung out from the 500m until entering the home straight, and whilst hanging out was forced wider on the track by another runner. When questioned as to the horse's performance, apprentice S. Eilbeck reported that the gelding never felt comfortable in its action throughout the event and when asked to improve into the race from the 600m commenced to hang out and shifted wider on the track. Apprentice Eilbeck added that over the concluding stages the gelding changed stride and dipped and for that reason she did not continue to pressure the horse. Vetted, no significant findings.

After making contact with BELLEVUE AVENUE near 1000m commenced to race keenly and was obliged to restrain to obtain cover, resulting in settling further back than anticipated. Then forced to race wide rounding home turn and in home straight where going was inferior however, doing best work over final 100m and may suit a step up in distance. Trainer confirmed instructions.

However, after beginning well the filly was able to obtain a position on the speed but was disappointing in its failure to finish the race off over the final 400m. Jockey McGuren was of the opinion that the filly would derive a fitness benefit from today's race. A post-race veterinary examination revealed the filly to have a slow recovery rate.
