S. Comments:Slow into stride. Shortly after the start had to be checked off the heels of THE BURGLAR which was laying in and away from HIGHWAY QUEEN. When questioned, R. Fradd stated that after being slow into stride and being severely checked, the gelding raced further back than he would have liked, and then approaching the home turn he had to alter course when in restricted room, which forced him to lose some momentum at that point of the race, however the gelding then finished the race off quite well over the concluding stages and in his opinion would be better suited in races longer than that of today

S. Comments:When questioned as to the tactics adopted when leading today, Jockey L Rolls stated that he was instructed to pressure the gelding out of the barriers as it had previously been slow to muster speed. Jockey Rolls added that as a result the gelding mustered speed quickly and he elected to continue riding it along to obtain a forward position. Jockey Rolls further added that once the gelding obtained the lead it failed to settle despite his efforts.Trainer M Eggleston confirmed the instructions but that it was not his intention for the horse to lead today but to settle in a mid-field position.

Again tried to restrain to sit back off leader but was unable to as it continued to race strongly in middle stages. Laid out under pressure in the straight and of the opinion it had come to the end of its prep. Trainer confirmed gelding would be sent for spell.

He indicated that although the horse raced very greenly throughout the event, it responded well to his riding in the home straight and he was obliged to stop riding and alter course near the 100m in order to secure clear running. He was of the view that the horse would take benefit from the run and he had recommended to connections to step the horse up over 1600m. When questioned as to the tactics adopted, Jockey L Rolls stated that the gelding was slow to begin which resulted in him settling further back than anticipated. Jockey Rolls added that leaving the 800m he elected to shift out to improve as he was concerned that runners forward of him were not going to take him into the race. Jockey Rolls further added that in making this decision he was also mindful of his instructions that the gelding was not suited when asked to sprint quickly off a slow tempo.

S. Comments:A pre race veterinary examination behind the barriers revealed blood in its mouth as a result of a small laceration to its tongue and was cleared to start. Shortly after straightening brushed the running rail on a number of occasions and became unbalanced when attempting to improve into a narrow run to the inside of JILL'S CHARM.
