S. Comments:When questioned regarding his riding in the early stages jockey D. Browne stated that after beginning fairly he attempted to position one off the fence by forcing SPUR LE JOUER closer to the rail, but when apprentice T. Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly. A post race veterinary examination revealed lameness in the off hind leg. Connectio

When questioned as to performance Jockey J Parr noted the gelding was fractious prior to start. Jockey Parr added that whilst the gelding was obliged to race wide without cover he was under pressure leaving the 500m and was most disappointing. Trainer T Edmonds noted the gelding was having its first start for his stable and was at a loss to explain the performance. Mr Edmonds indicated he may freshen the gelding up before its next start and undertook to report to stewards any abnormalities subsequent to the race. Post-race vet exam – no abnormalities.

S. Comments:When asked to comment on the horse's performance, R. Wiggins indicated that whilst the horse had difficulty securing clear running in the early stages of the home straight, it weakened over the concluding stages, which he felt could be attributed to the horse having its first start from a significant spell and would take improvement from the run. A post-race veterinary examination revealed no significant findings.
