S. Comments:Stewards questioned M. Hellyer regarding the tactics he adopted in the event as HIDDEN GOLD led, which is in contrast to its established racing pattern. He indicated that it had been his intention to settle midfield just behind the lead if possible, however after beginning well he elected to attempt to sit outside SOL WITNESS, however when that horse was steadied leaving the 1200m he elected to allow his mount to stride forward, as he had been advised that the horse can overrace, and he established the lead near the 1000m. Stewards noted the explanation.

Byrne indicated that at no stage did the horse travel comfortably, racing with its head in the air in the early stages and near the 850m, when following MOGUL, that horse shifted in and made contact with the running rail. He felt that this caused his mount to shy and lose ground and become very awkward in its action. He indicated that from that point onwards the horse did not respond to his riding and was very disappointing in the run to the line.

She also stated that over the concluding stages she had some difficulty obtaining clear running but she was still disappointed in the performance.
