A post race veterinary examination failed to reveal any significant abnormalities. Trainer T. S. Comments: When questioned regarding the horse's performance and his riding in the home straight, R. Fradd explained that when entering the home straight the gelding was inclined to lay in, which he felt was similar to its last start performance when it bled from one nostril and for this reason he was reluctant to overly pressure his mount over the concluding stages. Stewards advised jockey Fradd that he would be expected to report any matter that may have had an effect on a horse's performance so as not to leave his riding open to question.

S. Comments: Raced wide without cover. Had to be checked approaching the 200m when tightened for room between SIR MOMENTS and BEATNIKS, which had a tendency to lay away from FELTRE. In this incident J. Byrne, the rider of BEATNIKS, made every effort to prevent his mount from shifting further. As a result of the tightening, LUCKY TOM clipped heels and blundered. The veterinary surgeon reported that the gelding sustained a laceration inside the near fore cannon

S. Comments: Jumped away awkwardly and then was hampered soon after the start when tightened for room. For some distance approaching and passing the 600m was awkwardly placed at the heels of GIVUS A CUDDLE. Jockey L. Cassidy reported that after passing the 300m his mount became awkward in its action and felt it may have suffered an injury and therefore did not place his mount under pressure from that point onwards. A post race veterinary examination revealed the mare to be lame in the near hind leg. Trainer B. Baldwin was advised that a veterinary clearance would be required for the horse
