She indicated that after travelling a short distance she felt that she would be placed one off the fence, however, MY GIULIANO improved to her inside which forced her to race three wide. She added that she went forward and was of the belief that EMPHASIS might go to the fence but unfortunately that did not happen and she then was in a position three w

Byrne indicated that at no stage did the horse travel comfortably, racing with its head in the air in the early stages and near the 850m, when following MOGUL, that horse shifted in and made contact with the running rail. He felt that this caused his mount to shy and lose ground and become very awkward in its action. He indicated that from that point onwards the horse did not respond to his riding and was very disappointing in the run to the line.

He was of the opinion the PERFECT DARE would take a fitness benefit from today's race. A post race veterinary examination following its disappointing performance failed to reveal any significant abnormalities and a swab sample was taken.

S. Comments:After dislodging the rider en route to the barriers, the filly jumped the false rail near the 1350m chute, was quickly recaptured, inspected by the veterinary surgeon and passed fit to race. Co-trainer P. Hulbert was questioned regarding the horse's improved performance. He stated that at its previous start the filly did not run on after travelling well and he was of the opinion that it may not have appreciated the track conditions on that occasion. He added that the filly is better suited on rain-affected tracks.

S. Comments:Rider questioned re tactics - stated settled in trailing position behind NIVO approaching first turn but when pace steadied mount overraced and became very awkward at heels of NIVO resulting in her shifting to 3 wide position. Added prevented from moving back to trailing position and had to improve around field to clear STELLAS DREAM passing 600m. Trainer advised instrucionts to race in handy positionwith cover and express disappointment in rider unable to maintain trailing position after passing 1200m.

S. Comments: S. Galloway was questioned regarding the horses performance. He stated that the mare was very slow to begin and was reluctant to keep in touch with the field in the early stages, never travelled well throughout and failed to improve even when placed under pressure in the early stages of the straight. Trainer J. Smerdon was advised that if there is nothing amiss with the mare, she would be required to trial before starting again.
