Rider questioned re disappointing performance - stated filly raced very greenly throughout and also resented racing tightly between runners near 600m and was obliged to restrain after which the filly never travelled comfortably. He noted filly had trialled impressively when leading and could only use the excuse it was not suited when unable to lead and when racing tightly between runners. Comments: Began awkwardly. Jockey Beau Appo reported that his mount overraced significantly in the early stages which placed him at a disadvantage. A post-race veterinary examination of the gelding, which commenced to weaken from the 400m, revealed no significant abnormalities at the time of examination. A swab sample was taken from the gelding. Stable representative M. Currie was advised that the gelding must compete in an official barrier trial to the satisfaction of Stewards prior to its next start.

fourth run back from a spell today and, as it is a genuine middle distance horse, it was suited by the 2000m of today's race. He added that whilst its prior start was also over a middle distance, the gelding was caught wide for the duration on that occasion and, as a consequence, weakened over the concluding stages. Mr. Hill went on to say that, in his opinion, the soft racing surface was also to the gelding's advantage today. S. Comments: Slow to begin. Otnd performance. S. Galloway reported instructed to ride colt at rear of field from todays wide barrier. Jockey Galloway added passing 600m reluctant to shift extremely wide on track to improve and elected to trail DAZZLING GREY into race. When failed to quicken as expected, held up rounding home turn and then obliged to shift out upon straightening. Jockey Galloway further added the colt which was having its first start today was inclined to race greenly in home straight but nonetheless finished race off well and in his opinion would appreciate a step-up in distance. \$21,000 \$11,650 \$2,10 \$2,15 \$1,95F 1-6 GCST 1200 Good 17/11/2018 CG&E MDN (Race 1) 54 Scott Galloway (6) 59
