S. Comments:Began awkwardly and shifted out. Rider questioned re disappointing performance - travelled well in early and middle stages but failed to respond to his riding rounding the home turn and compounded leaving the 200m. Trainer noted it was having first start after a freshen up but was disappointed in overall performance and indicated that it would now be sent for a spell. Vetted - no abnormalities found.

S. Comments:After showing speed to lead compounded badly after rounding the home turn and when tiring made heavy contact with the inside rail at the 200m almost dislodging her rider. Post-race was vetted and found to have a slightly elevated heart rate and some inconsistency with it's breathing. Trainer was advised the filly would be barred from racing until it completes a satisfactory gallop over 800m in the presence of a steward and vet and then be cleared by the vet prior to racing again.

S. Comments:Rider questioned re tactics rounding home turn where he shifted wider on the track, allowing 2 runners to improve to his inside. He said having watched the previous races he believed the better going was 5 or 6 wide in the straight so he shifted wider rounding the home turn to obtain that position. Stewards noted his explanation, but advised him it would have been more advantageous to hold a position closer to the rail and then on straightening shift wider on the track to that part of the track which he believed to be superior going.
