S. Comments:Rider questioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position.

When asked to explain the disappointing performance, rider stated that when he was unable to cross and obtain the lead in the early stages, it commenced to race very fiercely and weakened in the home straight. He added it may have come to the end of its current preparation. A post race veterinary examination failed to reveal any significant abnormalities. Trainer indicated to stewards that it was now his intention to send the gelding for an immediate spell.

S. Comments:Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.
