He said he rode it similarly to what he did at the Gold Coast on 31 December when it won on that occasion. When questioned, trainer P. Facoori stated that his instructions were to lead and run

Added he rode mount in a similar manner to when it won last start.

Further added in his opinion the gelding did not travel as comfortably today as it had at its most recent start. Stewards noted explanation.

S. Comments:Raced wide throughout and near the 800m was eased out of the event. Jockey J. Lloyd reported that with the slow pace the mare travelled reasonably well, however he felt something was amiss with its action approaching the 800m and as a result he eased it out of the race. A post-race veterinary examination reveal the horse was suffering from cardiac arrhythmia. Connections were advised that the horse must undergo an ECG, and also must trial satisfactorily prior to its next race start.

S. Comments: Had to be restrained from heels near the 600m. Jockey was questioned regarding the tactics he adopted in the early stages. He stated that it was always his intention to race in a forward position either outside the leader or with a trail behind the leaders, however after beginning reasonably well, he was unable to cross runners to his inside and as a result he eased to took a trailing position. The explanation was noted.
