S. Comments:Slow into stride. Shortly after the start had to be checked off the heels of THE BURGLAR which was laying in and away from HIGHWAY QUEEN. When questioned, R. Fradd stated that after being slow into stride and being severely checked, the gelding raced further back than he would have liked, and then approaching the home turn he had to alter course when in restricted room, which forced him to lose some momentum at that point of the race, however the gelding then finished the race off quite well over the concluding stages and in his opinion would be better suited in races longer than that of today

He indicated after having a favourable run in the field with easy sectionals during the middle stages he was confident when rounding the home turn the horse would finish the race off well, however the gelding failed to respond to his riding and was very disappointing.
