S. Comments:Steadied momentarily near the 900m when racing in restricted room. Apprentice N. Morton stated that the gelding was inclined to lay in badly throughout the race. She added that her mount lost some momentum near the 900m when crowded for room which required her to pressure her mount from that point. She added that while the gelding ran home well it again laid in in the home straight which required her to place pressure on the outside rein which placed her at a disadvantage in riding her mount out.
