When asked to comment on the seemingly disappointing performance, rider S. Bogenhuber stated that she was able to obtain a leading position and that the horse travelled comfortably throughout. She added that when under pressure in the home straight the horse failed to respond to her riding and she felt that in her opinion the horse had come to the end of its preparation.

S. Comments:Began awkwardly. When questioned regarding the tactics adopted, in particular setting a quick tempo in the early and middle stages, trainer stated that the filly's best runs have been when it has been allowed to roll along in front and attempt to run the field off its feet. Mr Hansen added that the filly does not appreciate being overly restrained or racing around other horses and is much better suited by the tactics adopted today. Mr Hansen added the filly has never raced on a surface worse than good before and he is not convinced it appreciated the soft track conditions today.

S. Comments:Correct weight was delayed to allow stewards to determine whether the gelding was afforded a fair start. After viewing the film it was established that the horse reared as the start was effected and lost considerable ground and therefore stewards were satisfied that it was afforded a fair start and declared correct weight on the Judge's placings. Trainer's representative was advised that a warning would be placed against the gelding's barrier manners.		<b>In Running: /10/10</b>

S. Comments:On return to scale S. Bogenhuber advised that due to the fast tempo of the race in the early stages she settled further back in the field than she anticipated. She added that her mount was under pressure a considerable distance from home, which she attributed to the horse racing dour tonight, and advised trainer S. Iverson that the gelding may be better suited in races over further distance than tonight's event. Mr Iverson agreed with the statement by S. Bogenhuber and advised it was now his intention to step the horse up in distance for his next start if possible.

When afforded the opportunity to comment on the performance of the horse, rider T. Bell stated that after travelling 3 deep for the majority of the race the filly raced greenly,

and after applying the whip near the 300m his mount shifted in abruptly and had to be steadied to avoid heels. He added that he advised connections that a step up in distance may benefit the filly in future starts. A post race veterinary examination failed to reveal any significant abnormalities.
