S. Comments:When questioned by Stewards regarding the mare's seemingly improved performance, Trainer B. Currie advised that the mare was not suited to the firm racing surfaces at its most recent starts at Dalby and Gatton. He went on to say that two starts ago at Toowoomba he was unable to offer an explanation for the mare's seemingly disappointing performance. He also advised that, in his opinion, today's racing surface, combined with racing at a track where the mare has an exceptional record, were the major contributing factors to the horse's improved performance. Stewards noted the explanation.

S. Comments:Jumped awkwardly and lost ground. Steadied near the 700m when obliged to race in restricted room and then overraced and was steadied near the 600m. Checked when tightened for room leaving the 50m. Stewards inquired into the circumstances of this incident and established that MORION, which was racing to the outside of TAKES TIME, had laid in under pressure in the home straight, causing its rider to stop riding and straighten near the 150m and again, despite the efforts of its rider, over the final 50m. Stewards were not satisfied that any rider was at fault in this incident.

S. Comments:When questioned regarding the gelding's improved performance today, trainer M. Nolan Jnr explained that the colt was gelded following its first start it and in his opinion this had improved the horse's racing manners. He added that the gelding had jumped out well in a jump-out and had also worked well leading into today's event, which was consistent with its track work leading into its first start.

S. Comments:A post race veterinary examination of the horse, which raced in a handy position and weakened over the final stages and proved disappointing, failed to reveal any significant abnormalities. When questioned regarding the performance of the filly, rider T. Harrison explained that from the wide barrier today she had to apply a little more pressure in the early stages to obtain the lead than she would have liked, and during the race was slightly pressured by a runner to her outside. She further added that at its last start the filly obtained a soft lead on a tighter track without being pressured

S. Comments:Passing 500m steadied away from the heels of CALISTO, which was taken out slightly by BROWN BROWN. Rider questioned re tactics - indicated instructions were to go forward if possible and obtain cover just off the speed. Added after travelling a short distance caught three wide and unable to obtain cover therefore elected to restrain after passing 1100m towards rear of the field and in doing so filly commenced to overrace and got its head up on a number of occasions for a short distance.
