He felt that this had a detrimental effect on the overall performance and could offer no further explanation.

He said the tempo of the race then slowed so he elected to shift out to the outside of the heels of the leader near the 1000m. He said from that point on his mount never travelled comfortably in the soft track conditions and when ROYALTOWN ROAD improved up around him from the 700m, his mount appeared to not appreciate racing inside other runners and despite being placed under pressure did not respond and was most disappointing. The horse underwent a veterinary examination and was cleared to take its place in the field. Then found to have blood in its near-side nostril post race, which was attributed to the contact in the barriers. Stewards took no action against the horse.
