S. Comments:When questioned as to the improved performance, Trainer B Guy stated that he had not been disappointed in the gelding's last start at Doomben where it set a fast early sectional which resulted in it weakening over the concluding stages. Mr Guy added that the gelding's best performances have been over today's distance of 1400m and due to the cancellation of recent meetings due to weather conditions had been unable to place the gelding in 1400m races. His explanation was noted.

After beginning on terms he allowed PROFILER to push forward of him in an effort to comply with instructions however, SPIRIT TORQUE, which drew inside him, remained in a one wide position. As a result he was obliged to restrain the gelding to obtain cover behind SPIRIT TORQUE, which resulted in him racing further back than anticipated.

S. Comments:Steadied when tightened for room approaching the 1000m. Rider questioned re performance - began only fairly and after suffering interference shortly after the start was caught wide so elected to ride forward to take up a position outside the leader. Notwithstanding this he was disappointed in the filly's performance as it failed to respond to his riding in the straight. Trainer was of the view that filly may have worked too hard when ridden forward to lead which had a detrimental effect on its ability to finish off the race. Vetted - no abnormalities found.

S. Comments:Began awkwardly. Overraced in middle stages and near 700m had to be steadied from heels. Trainer advised that horse possessed early speed however on last 2 occasions had begun only fairly and when caught in behind other runners was inclined to overrace as such he would experiment with gear and the use of a senior rider in an attempt to get the horse to settle better in its races.

S. Comments:When questioned regarding the performance, rider stated that near 1200 metres the gelding was eased from heels and obtained a position one out from the running rail. She added that the gelding had raced only fairly at its previous start, was having its third start in 3 weeks and may not have been suited by the pace of the event. Trainer A. St Vincent reported that MAUGHAN would be freshened up following its performance on this day. He further stated that in the days following the event an abscess had come out on the off hind bulb for which it was receiving treatment.

S. Comments:Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was slow to begin and he rode it along with vigour in the early stages.He added that approaching the home turn he was unable to improve when held uphowever upon obtaining clear running at the

entrance to the straight his mount failed to respond.M. Dunn stated it was the filly's first start for his stable and he had expected it would be very competitive.He advised he would add blinkers and remove the t/tie before stepping up in distance.Vet exam revealed a poor recovery rate.

S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.
